

JAXON SOUTHERN | BACK END DEVELOPER

JAXON.SOUTHERN@MAC.COM | 281-638-1288 | HOUSTON, TX | [LINKEDIN](#)

OBJECTIVE

Results-driven professional with a diverse background in real estate, construction, and graphic design. As a skilled communicator with a proven track record in managing projects, my objective is to utilize my creativity and strong client relations skills to become an integral element of a dynamic team.

SKILLS

Languages: JavaScript, Python, HTML, CSS

Libraries and Frameworks: React, Express.js, Django, SQL, Git, Bootstrap, JQuery

Design Applications: Illustrator, Photoshop

TECHNICAL PROJECTS

Substream - [GitHub](#) | [App](#) - React

The go-to solution for finding any movie or TV show on the neverending wave of streaming services

- Filtered through a third-party API to create a searcher which runs lean and keeps the experience responsive across platforms.

Gallery - [GitHub](#) | [App](#) - React, Django

Delivering the art gallery experience from the comfort of your device

- Built a custom API for an (imaginary) art gallery and connected it to a single-page interface which allowed users to perouse and bid on the collection's artwork

Qwiklok - [GitHub](#) | [App](#) - Javascript, EJS

Empowering contractors with timekeeping for payroll, billing, and project man-hour monitoring

- As a three person team, we developed a full JWT-authorized application with two different access points (think worker & boss) containing various aspects of the CRUD process

Simon - [GitHub](#) | [App](#) - Javascript

A nostalgic throwback ported for the digital age

- Crafted a game which relies on randomized sequences and time relays but also tried to mimic the same feel and sounds of the classic memory test through detailed styling

RELEVANT EXPERIENCE

Web Development Experience, GENERAL ASSEMBLY

July 2023 - Jan 2024

- Honed proficiency in multiple software languages and frameworks which include, but are not limited to, Javascript, React, Python & Django
- Integrated both third-party and homemade API's into multiple projects throughout the duration of the course leading to better dexterity with how data is transferred over the web
- Doled in hours and hours of research into styling to maintain my artistic vision and aesthetic in the digital format

EXPERIENCE

Real Estate Agent, MULTIPLE BROKERAGES

May 2021 - Current

- Implemented acute relational skills and extensive market knowledge to assist over 250 clients, addressing each client's unique needs with precision.
- Generated daily content for personal social media page, including recording properties, video editing, and employing digital marketing techniques to attract new leads and business.
- Fostered strong client and industry connections, leading to a consistent flow of lead referrals and exclusive

incentives for clients.

Project Assistant, JOHNNY STEELE DESIGN

January 2020 - May 2021

- Directed full estimation processes, from conceptual budgeting to material sourcing, labor quotes, and adjustments added throughout construction.
- Innovated processes, elevating project profitability and turning the hardscape department's monthly campaign into a multi-million-dollar success.
- Orchestrated concurrent construction projects, mastering timelines and communication among designers, subcontractors, suppliers and clients.

Community Operations Lead, UBER TECHNOLOGIES

June 2016 - August 2018

- Spearheaded a team of community representatives by cultivating a proactive communication loop and developing an extensive set of documentation resources for assisting drivers
- Analyzed extensive platform data and driver feedback (both electronic and in-person) to pinpoint opportunities for improvements in the local Houston market
- Ensured continuous compliance with local regulations in pursuit of consistent and seamless operations.

EDUCATION

GENERAL ASSEMBLY

July 2023 - January 2024

Software Engineering Immersive

Full-stack 420+ hour program focused on product development fundamentals, object-oriented programming, MVC frameworks, data modeling, and team collaboration strategies

UNIVERSITY OF HOUSTON

December 2016

Bachelor's of Arts, History & Psychology

Graduated Cum Laude
